- Assisted senior engineers to test equipment and solve issues on sites.

Skills & Abilities

Electrical Engineering:
- Programmable Logical Controller
- CCTV system
- Door access system
- Vehicle access system
- Intercom system
- BA system
- Samsung HA system
- Auto Cad

Website Developing:
- HTML
- LMS (Blackboard)
- Weebly
- Wordpress

Video Editing:
- Camtasia
- Movavi

Graphic Editor:
- Photoshop
- Flash

Computer:
- Zoom (online conference)
- Word
- Excel
- Power Point
- Chinese typing skill

Language:
- Chinese
- English
- Taiwanese

Education

MASTER OF ARTS Instructional Technology

California State University, San Bernardino (CSUSB)

San Bernardino, California | 2017

BACHELOR OF SCIENCE Electrical Engineering

National Formosa University

Taiwan, | 2009

Activities

- Taiwanese Student Association, California State San Bernardino

- Two Intramural Basketball Champions at CSUSB

- Phi Beta Delta Honor Society

- Hsi Lai Temple Volunteer

- Library Volunteer in the university of the West
